

2019 Discovery Day Exhibitor Proposal Form

As one of our potential San Francisco Bay Hope Spot partners, you are invited to the Estuary & Ocean Science Center's 31st Annual Discovery Day Open House on Sunday, April 28th from 1-5pm! Our theme this year is "Hope for the Bay." We want to focus on why San Francisco Bay is a Hope Spot. What is going well? What are we hopeful about or inspired by? What are our success stories?

While all are welcome to attend, we have limited space for partners to participate as presenters or exhibitors. Please fill out the below proposal by March 25th at 5pm. If your proposal is selected, you will be notified by March 29th at 5pm.
