9:00 Bagels and coffee will be provided. **Donations to cover food costs are appreciated.**

9:30 Introduction and Welcoming Remarks

9:35 Watershed Roundtable news & updates (all)

10:00: **River Restoration Throughout the World**, Matt Kondolf, *Professor of Environmental Planning, UC Berkeley*, will share some of his experiences working in river restoration across the U.S. and Internationally. He will give an overview of the Landscape Architecture and Environmental Planning program at UC Berkeley.

10:20 **Grayson Creek Watershed Analysis**, *Jen Natali and Ari Frink, UC Berkeley*, Jen Natali and Ari Frink, graduate students at UC Berkeley, conducted a watershed-wide analysis of opportunities to implement the Fifty-Year Plan for the Contra Costa County Flood Control District, focusing on the Grayson Creek watershed. Their analysis focused on transforming single purpose channels to incorporate multiple benefits. They will present their findings and recommended next steps for the Grayson Creek Watershed.

This presentation will allow groups to provide feedback as far as what information is most useful to them. We hope to have representation from multiple levels, county, city, and volunteer groups. Jen and Ari would like to know how their information can best be communicated and applied by these diverse interest groups.

11:30 Adjourn to the next Contra Costa Watershed Forum meeting on March 8, 2016.

*The CCWF will provide reasonable accommodations for people with disabilities planning to attend CCWF meetings who contact Elissa Robinson at least 72 hours before the meeting at erobinson@ccrcd.org or 925-672-4577 x 4150. Agenda items for the CCWF meetings are discussed by the Executive Committee prior to the meetings. The next Executive Committee is scheduled for **January 23** (4th Tuesday of odd numbered month) at 12:00 p.m. If you would like to attend this meeting or cannot attend the meeting but have suggestions for topics or speakers, please contact CCRC directly.
